Denplan Excel

Clinical Governance Commitment

Denplan Excel Certification was granted to:

on

The requirements of Denplan Excel Certification include the following to comply with Clinical Governance:

This practice is committed to clinical audit - to monitor and continually improve the quality of dental care provided. We maintain a practice-based quality assurance system which includes:

- A review of the consistency of dental care provided
- Compliance with current best practice in the control of cross-infection
- Adherence to current Health and Safety at Work requirements
- Conformity with current requirements relating to taking x-rays
- Participation in Continuing Professional Development as required by the General Dental Council

The person responsible for ensuring that this quality assurance is maintained in the practice is:
